

AT-HOME SYMPTOM SCREENING

As part of the district's health and safety plan, all families and staff are asked to use this at-home symptom screening tool prior to leaving for school. This screening tool is based on guidance received from the Pennsylvania Department of Health and is subject to change based on new information about COVID-19. In the event of a modification to this screening tool, an updated version will be shared with families and staff.

GROUP A SYMPTOMS

Fever (100.4 or higher)
Cough
Shortness of Breath
Difficulty Breathing
New Loss of Taste or Smell

GROUP B SYMPTOMS

Chills
Muscle Pain
Headache
Sore Throat
Nausea or Vomiting
Diarrhea
Fatigue
Congestion or Runny Nose

BEFORE LEAVING FOR SCHOOL, ANSWER THESE QUESTIONS

Is the student/are you exhibiting one (1) or more of the **Group A Symptoms**?

If Yes, Stay Home and Contact the School Nurse

Is the student/are you exhibiting two (2) or more of the **Group B Symptoms**?

If Yes, Stay Home and Contact the School Nurse

Is the student/are you taking a fever-reducing medication?

If Yes, Stay Home and Contact the School Nurse

Has the student/have you tested positive for COVID-19, been exposed to someone with COVID-19 symptoms (listed above) or to someone with a confirmed or probable case of COVID-19?

If Yes, Stay Home and Contact the School Nurse
